Junior Journal

Theme: Insects

Language Arts: Eric Carle's books, "The Very Hungry Caterpillar," "The Very Grouchy Ladybug," and "The Very Busy Spider," will enhance our theme this week. Hand clapping and feet stomping will aid in the development of listening and rhythm skills.

Concept: Get the magnifying glasses out! This week we will explore the great outdoors to see how many insects we can discover. Our estimating skills will also be enhanced by guessing how many insects are in my jar.

Craft & Writing: We will practice printing the last 2 letters of the alphabet in addition to beginning our May evaluation printing packet.

Motor: Oh, we are so happy to be outside! This week we will hop like grasshoppers and soar like butterflies.

Reminders & Upcoming Events

- Memorial Day – Monday, May 29 – center closed
- Last Day of School – Friday, June 2.
- Spring Program- Saturday, June 3 at 1:30p.m.
