Language Arts:

The children will be busy learning new finger plays and listening to many flannel board and book stories about pets. Our discussions will include different types of pets, as well as caring for them. ***Please send in a picture of your pet or a pet you would like to have to school this week.*** The phonics board will also be a hot spot, helping to reinforce our letters and the sounds they make.

Motor:

This week the children will practice some learned skills on our obstacle course, as well as trying some new skills. We will also enjoy the game "Doggie ,Doggie Where is Your Bone?

Concept

In Concept this week we will play a game called "Can You Tell Me" which is a game where the children have to guess which item is missing. We will talk about pets and graph our favorite pet. Then the children will be introduced to a pet seriation activity that will be added to our job shelves. During the week the children will do various estimation and counting activities, in addition to going to our sand table.

Craft and Writing:

We will work on readiness papers reinforcing the letters Ee & Ff by printing the letters and working on a phonics paper. The children will also have some time to work on their fine motor skills with play dough. We will also make many pet projects.
