

Dear Parents,

We hope you are doing well. This situation has continued to make it difficult to make decisions regarding the remainder of our scheduled school year.

With sadness, we will be cancelling all preschool (9-12) and VPK half day (9-12 and 9-2:30) classes for the remainder of the school year that was scheduled to end on June 5.

Many have questioned whether or not we will be having our end of the year programs. We are very sad but, these will be cancelled.

We hope to be able to open some of our locations for our **day care parents**, as we know more people have, or will be going back to work. At the bottom of this page is information that we need in order to prepare for re-opening of our centers. Your child's return date, scheduled days and times, are needed so we can plan our staffing. Please know that when you commit to this return, **tuition will be due the first day of attendance, each week**. We can no longer credit accounts for non-attendance, because we will need to pay our staff's wages and operating expenses. If you wish to pay for multiple weeks at a time, this will be due in advance not arrears. An amended tuition policy and health policy will be sent for your signature.

We will continue to keep you informed on this ever-changing situation. We hope to open for summer camp preschool programs. If you are interested in summer camp, please send an email to your school for more information.

Here are the schools' email addresses. These emails are checked at least two times a day.

The following information is needed in order to plan for staffing of our centers. There is a possibility that not all of the centers will open at one time, a rolling opening may happen as more children start attending. If this happens, you will be able to send your child to any of the centers that are open, but must commit to one location. The accuracy of this information is very important due to the current situation.
