Language Arts:

This week our class will learn about shapes and review the shapes that we have been introduced to throughout the school year. As we learn about shapes, we will discover new songs that will help us to learn about this topic. Our featured songs are "Tommy the Triangle", "Cindy the Circle", and "Ricky the Rectangle".

Concept

Our job shelves are open for exploration! We will be working on shape sorting and matching throughout the week. We will count shapes to review our numbers 1-4. Let's get ready to explore shapes!

Craft and Writing:

Grab a glue stick as we create a colorful shape collage. Let's also use water colors as we paint many shape papers.

Motor

The parachute is a lot of fun. We will add some shapes to our parachute and play a fun game. We will also enjoy collecting shapes as we crawl through our tunnel and sing our shape song "Do You Know What Shape This is"?
