Introductions

Story: #8

Reading Vocabulary: *look, at, is, big*

STUDENT of the WEEK

Rory Larson

Morgan Waller

Language Arts: Story #8 will be introduced along with the new vocabulary words. Stories for the week include "Career Day", "I Want to be a Builder", and "Picture Yourself" by Terry Murray. Valentine songs will be enjoyed throughout the week.

Concept: In addition to checking out al the communities within the state of Illinois, we will be practicing our math skills with the Golden Beads. Several fun math games will encourage us to learn how to add and subtract.

Craft and Writing: Our papers will contain matching letters, filling in the missing numbers and rhyming words. Our name printing skills are improving as we practice each day. A community helper project will be created this week as well as a fun Valentine craft.

Motor: Let's move to the beat of our hearts, as we review our action words. Playing a "follow the directions" game is a great way to keep our hearts healthy and our listening skills toned. We are learning how to use sign language for all our letters.
