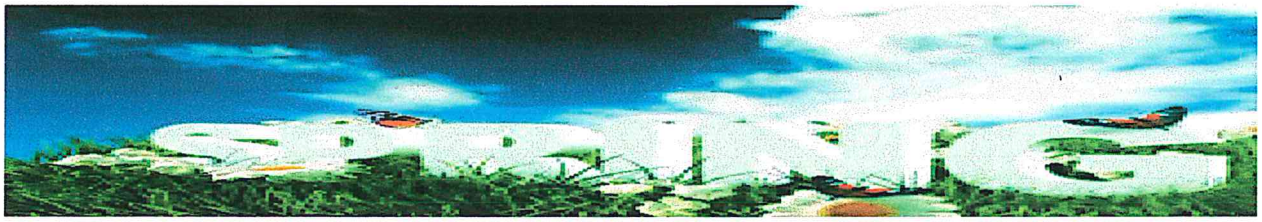
Bobbie Noonan's Child Care - Bonita
Nursery Weekly News
April 3- 7, 2017



Week: 34

Theme: Spring, Pt. III

Review: Ee

Introductions: Ff, Gg

Language: This week, we will focus primarily on the different types of weather that correspond with Spring season. We will get out the musical instruments, and sing to weather songs. We will also put on a funny puppet show for the class. The letters *Ff* and *Gg* will be added to class discussion. Lastly, we will do some new flannel board stories, and read some new books.

Motor: During *Motor* time, we will practice tossing and catching. Further, we will continue to practice yoga stretches. At week's end, we will enjoy outside play, ball play, the stair steps, and the obstacle course.

Craft/Writing: Let the fun begin with weather crafts. We will watercolor an umbrella, sponge paint rain drops, and have some play-doh fun! Additionally, we will continue to do scissor practice, free color the letters *Ff* and *Gg,* and we will begin to work on our Easter craft.

Concept: We will focus on counting objects up to eight, and use clouds for size seriation. The class will have an opportunity to continue practice with pouring and scooping at the water table, and sand table. *Ff* and *Gg* will be introduced through some fun activities. To top off the week, we will enjoy some matching games, and tend to our class plant.

Thank you,

Mrs. Kaleigh
Miss Emily
