## Welcome back to school!

We would like to take this opportunity to welcome all our new students and parents. To all our "old" families...so glad to have you back! This first newsletter of the 2017/2018 school year contains important information for beginning and returning students. Please make it a habit to read each newsletter sent home. The newsletter will keep you informed of current events or changes in the school calendar. Please recognize that the day your child goes off to school is an important event. Realizing this can help to make it a positive experience. Often it is the first major separation from the secure and familiar world of home. Your greatest gift to your child at this time is your loving support and understanding. Talk positively about school and encourage your child to ask questions.

### Upcoming Events

September 4: school closed in observance of Labor Day (full tuition is due)

September 1: 2<sup>nd</sup> Preschool monthly payment due

September 22: first day of Autumn!

We will continue to collect pop tabs in the container in the hallway. At this time we have contributed 7 containers full toward The Ronald McDonald House in Oak Lawn! Thanks for your support.

**Tuition:** Tuition is due the morning of the first day your child attends school. Parents of children paying monthly; your payment is due the first day of the month that your child attends school. Please place tuition in the black mailbox located in the foyer. Cash payments should be made to a director; Tiffany or Melissa. As stated in our tuition policy a \$10.00 late fee will automatically be added to your tuition if it is received late. Any child whose tuition is behind by 2 weeks will be dropped from our program not to be admitted until the amount plus a re-registration fee is paid.

**Parking** There is no parking in front of the school; it is a fire lane and needs to be assessable to the fire department at all times. Pre-school parents may pull up to the front of the building at drop off and pick up times if you are leaving your child with a teacher at the door. If you would like to walk your child in to their room please park in a parking space. Thank you!

**Academic Program:** Our academic program begins promptly at 9:00 a.m. Please make sure your child is here by 9:00 to ensure they receive the full benefit of our program. Preschool children can arrive between 8:45 and 9:00a.m. A teacher will be at the door to assist you in signing in your child and walk them to their room. If you choose to walk your child to their room please park in the parking lot, not in front of the school. Daycare Parents; you must continue to park in the parking lot and walk your child in. Please remember to sign your child in and out daily. We are looking forward to a very exciting year. Stop by or call the office if you have any questions or concerns.

**Personal Items:** Please label ALL clothing, blankets, etc. with your child's name or initials. Because we promote an atmosphere of self help and independence items may end up on the wrong place or child if not labeled. If this should happen please return the stray item to your child's teacher. Children are discouraged from bringing toys other than a soft nap time friend to school.

**Medicals:** An updated medical is mandatory for all currently enrolled children. This is only to benefit your child. If your child receives any type of immunizations please have your doctor put in writing the vaccination given and the date given. Then hand it in to the office for our records. All medicals are good for 2 years of attendance, after that a new medical will be needed. Also, Dental and Eye exams are mandatory by the state for all children entering Kindergarten.

**Medicine:** If at any time you wish Bobbie Noonan's to give your child medicine, please be sure the prescription has your child's name and full instructions listed on the container. We are not able to administer over the counter medicine unless prescribed by a doctor. We must have the prescription with the child's name and amount to be given with the medicine. A medical consent form found in the foyer must be completed and signed by the parent. Medicine is given at 12:00 and 4:00p.m.

Our policy of snacks and treats at school is all natural. This includes holiday parties. Any treats sent to school must be free of sugar, additives, preservatives and in the store packaging. If unsure of what to send or in need of some ideas check with your child's teacher or the office. The best "treat" to send is a non edible "treat." Thanks for your help!
