BOBBIE NOONAN CHILD CARE- JOLIET

WEEK #8
10/2-10/6/2017

We are **CLOSED** on **OCTOBER 9**. The staff will be in training for the day. Full tuition is still due for the week. Thank you.

FALL

INTRODUCING:

Triangle

Rectangle

Language with Mrs. Lori: There is so much to learn and discuss with this topic of Fall! The children will have more flannel boards and finger plays to enhance their lessons. We have a terrific song called "I'm a Nut", that I'm sure they will love to sing. Keep bringing in Fall artifacts and watch for the changing leaves as you drive to school!

Concept with Mrs. Colleen: The children will work on halves and wholes. They will continue to work on lacing cards and the brown stairs. Fall sorting bins will at the science tables for the children to use. Lastly, we will review the concept of long vs. short.

Craft and Writing with Mrs. Chrissy:

Readiness papers for the letters Cc and Dd will be worked on and triangle and rectangle papers. Encourage your children not to scribble and to hold their pencils correctly. We will have free time to work off the art shelves. We also have an art project planned.

OTHER NEWS

Music will be held on Thursday.

Children of the Week: Colette

Mascot: Gage
