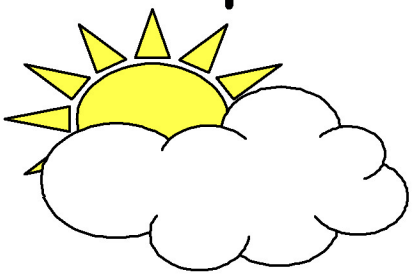
Pre-K Update

Theme: Weather
Week 40
May 18-22



We are closed on Monday May 25th for Memorial Day.

Language

A chance of rain? This week Ms. Jen will be talking to the children about the different types of weather. Many books and cute finger plays will also be done this week.

Craft and Writing

It's hard to believe that our year is coming to an end. The children will work on evaluation papers to complete their file, therefore they may not bring papers home in their folders.

Our upcoming program is fast approaching. Please let us know if your child cannot attend so we can plan accordingly. It is scheduled for May 30th at 1:30 p.m.

Concept

This is a fun and exciting week for the children to learn about different types of weather. The children will be voting on which season is their favorite and answering questions such as "Where does rain come from?".

Motor

Wow the weather has really gotten nice! This week we will go outside and enjoy the spring weather. We will have relay races outside and set up an outside obstacle course using some of our playground equipment. The parachute will also be brought out.
