Weekly Update January 1/6 thru 1/17

Pre-Kindergarten News

We would like to welcome Ms. Ana to our staff at Bobbie Noonan's.

Happy New Year!

This week we will talk about the season "Winter".

We will discuss what happens in winter.

To go with our theme we will do a science activity watching a solid turn Into a liquid. We will add different colors as we watch the ice melt.

We will discuss how animals behave during this time of year.

Introduce; Ss and Tt, Uu and Vv and story #6

Mother, Father, Hop, hop Bits: Birds

Manners: Say excuse me, Do not tattle

Martin Luther King .
1/21 school open

Fable: The Greedy Fox

Language Arts: Introduce story #6 and review story #5

A special story called "The Mitten" will be read.

We will take turns reading out loud. We will play a game called "beat the bell", using our story words. We are working on rhyming words, build a word, and word families.

We will continue to have fun building sentences.

Motor: What a great time to go ice skating. Too cold outside we will have fun ice skating inside using paper plates. We will have relay races (using winter hats, scarves, and mittens.

Concept: Numbers 11—14 will be worked on.

This week the children will start working with the golden beads. This is a math activity that teaches place value. We will start with ones, then tens, and hundreds. We will measure snow using our rulers (how many inches)

This is a process we will be working on for several weeks. We will experiment with solids and liquids by melting snow.

Craft and Writing: S and T, U and V readiness papers, 11,12,13,14 number papers.

We will also be completing readiness papers about rhyming, patterning, and will Work on some fun Winter crafts.
