JUNIORS NEWS
May 22, 2017
Year in Review

LANGUAGE ARTS: Reinforcing the entire alphabet by focusing on letter recognition and phonetic sounds will develop our skill level. Many stories, poems, and songs are planned to help enhance our theme. Vocabulary development is enhanced as we discuss *summer vocabulary* including; *summer, warm, sun, water, and hot*. Our discussions will also focus on sports we play during the summer months.

CONCEPT: New counting activities are planned for the children to do this week. Some of the specific unit activities will be put away and replaced with more general activities; such as building blocks and floor puzzles.

MOTOR: Hopefully, the weather will allow us to spend time outdoors, using our equipment to develop our gross motor skills. We will even incorporate the equipment in an obstacle course.

CRAFT & WRITING: Coloring several fun summer pictures, and using playdoh are all a part of this week's activities.

As the school year winds down, we will review all that has been introduced this year. Our center will be closed Monday, May 29 in the observance of Memorial Day.

Have a great week
and Happy Memorial Day!
Mrs. Cheryl, Mrs. Roxanne Mrs. Cathy and
Mrs. Lauren
