

# Mrs. Lindsay's Kindergarten News

## Theme: Birds

We would like to welcome 24 cool eggs to our school. For many years we have had the privilege of seeing many eggs develop from embryos to cute baby chicks! The children are extremely anxious and excited about their arrival, this should take place at the end of the month.

Oh my! This week, I am so excited to introduce charting growth. My two favorite math lessons are charts and graphs. What's your favorite?

Have a great week!

Mrs. Lindsay
