We will be ending our STEAM Ahead Summer Camp with two weeks of carnival and circus fun! The children will be enjoying several exciting activities based on some of our favorite things to do and see at either a circus or carnival.

Language Arts:

The children will be enjoying stories on visits to the circus and carnival. These rides will introduce the children to the rides, animals, activities, and events one would see at either event.

Concept:

The children will be practicing their number concept skills as they match pieces of popcorn to numbered buckets. They will also be seeing how tall some roller coasters are, using items in our classroom. These 2 weeks will be w wild ride!

Motor:

We hope to enjoy the majority of our motor time outside, and enjoy some of the warmer weather. Indoors, the children will enjoy games of ring toss, jumping through hoops like lions would through rings of fire.

Craft and Writing:

Lions, and tigers, and bears...oh my! Projects related to these weeks theme will be coming home your way.

Happy Birthday!!!
