**THEME: Messy Art Week**

This week we are sure to make a mess as we participate in “Messy Art Week.” Pots and Paints will be here on Wednesday, July 12 to paint with the children. If your child attends this day, your account will be charged \$10.00 for this activity.

The “Color Song” and “Rainbow in the Sky” are two of the songs and activities the children will participate in this week. We’ll put aside our crayons and markers and use different art mediums during craft time. These art mediums include straws, yarn and even our feet. What colors make up a rainbow? What happens when we mix different colors of paint? The children will find out through many fun science experiments.

Outside time is always fun in the summer! Proper foot wear is a must as the children will be running and using the playground on a daily basis.

**Reminders**

**Tuition Payment** – We are half way through summer camp. For children attending the morning portion only, your second payment is due this week. If you have questions, please contact Mrs. Geri.
