THEME: Fall **September 26, 2022**

In the second week focusing on the season of *Fall*, we will further our discussions about the changes we notice in the weather and the leaves on the trees.

Mrs. Desi, Mrs. Taghrid, Mrs. Catherine and Ms. Melissa

Student of the Week

John Goepfert

Happy Birthday

Nolan Kramer 9/28

Language Arts: The children will enjoy the flannel board story *Trees*. Our listening activity involves following the directions to the finger play "I'll Touch My Hair" and "5 Furry Squirrels".

Concept: We will add number counting concepts to our shelves and play the bug splat game. Long and short will also be part of our lesson this week. A fall sensory bin will keep us interested in learning about our new season.

Craft & Writing: We will be creating some fun fall crafts with leaves, and learning to print numbers 1 and 2. Painting with yellow and green will be a fun and we will wrap up this fun week with a beautiful fall scene art piece we have working on to display in our classroom.

Motor: The children will practice kicking balls at the target and sing songs while I the rocking boat. As always, if weather permits, outside time is a must!!
