**Language Arts:** Hi and welcome to the Language Arts class. Language skills will be developed through stories, books, songs, poems, finger plays and puppet play. Mrs. Cheryl will introduce the children to the finger plays “Open Shut Them” and “Two Little Blackbirds.”

**Concept:** Hello from Mrs. Vickie's Concept class! During the first week of school, the children will be introduced to hands on manipulatives that teach and reinforce our curriculum.

**Craft & Writing:** Welcome to Mrs. Amy's Craft and Writing class. This week, we will be engaging in lots of projects to help us get to know each other. We will become familiar with crayons, paints and playdoh this week.

**Motor:** The Motor class is where the children work to increase skills in large muscle control, balance, coordination and body parts. Mrs. Joanie will take the children outside on a daily basis, if the weather allows.

**Happy Birthday**
