Two's News

Week 13 Nov. 7-11 Theme: Under the Sea

Bits of Intelligence: Birds

Language: Ms. Leah is ready to dive into reading books all about the sea! The children will come Home singing our new songs called "Take Me Out to the Ocean" and "Five Little Fish" and of course our class favorite, "Baby Shark". Ms. Leah also has some fun flannel board stories including "Five Little Starfish" and "Five Little Bubbles".

Concept: Ms. Sam is very excited to play with the children in the sand and water tables this week. She also has a sea creature matching game, ocean themed Lego's and sea creature shelf jobs. We will also learn some fun facts about sharks and jellyfish.

Craft and Writing: Mrs. Tammi has lots of fun art planned for this week. The children will be water coloring, doing some mosaic art and practicing their fine motor skills working with Play-doh and stickers. We will be reviewing colors, shapes, letters and numbers. Be sure to make room on your refrigerator for a cute crab craft.

Motor: The children will be jumping on the jellyfish tumbling mat for indoor motor time. Please dress your child appropriately for out outdoor play time. Don't forget to label all coats, hats and glove. You can put your child's initials of the inside tags. Thank you.

Picture Days – Nov. 8th and 9th. If your child does not attend either day you are welcome to drop by either day at 9:00am to have their photo taken.
