**Language Arts:** This week we will discuss ants, caterpillars, butterflies and spiders. "There's A Bug on Me!" is a fun finger play the children are sure to enjoy. The flannel board story of "The Itsy, Bitsy Spider" will be a familiar enhancement to our week. Author, Eric Carle, has many stories to reinforce our *creepy crawlers* theme.

**Concept:** We will be learning about our *creepy crawlies* friends by sorting them according to their "family." The children will have fun pouring at the water table and searching for creepy crawlies at the sand table.

**Craft & Writing:** This week is our first week of *creepy crawlers*. We will use crayons, dot paint, and finger paints to create bug pictures and play with play doh to help strengthen our fine motor skills.

**Motor:** The children will be doing an obstacle course to reinforce activities we have been learning over the last couple of week. We will be using the riding toys during class this week. Please make sure your child has their jacket for outdoor play.

## Theme

### Creepy Crawlers

This week we are getting to know our creepy crawly friends. The children usually love this topic.
