 Farm Animals

Farm Animals will continue to be the topic of discussion this week. Over the next several weeks the children will have their final assessment. Report cards will be distributed the last day your child attends.

Have a great week!

Ms. Paula, Mrs. Nahla, Mrs. Karen, Mrs. Rebecca and Mrs. Susan

Language Arts: We will continue to learn and explore different types of farms all around the world. The fable "The Frog and the Ox" will be introduced. This reinforces that, "we should be proud of who we are." Reading story #15 will also be introduced with the new vocabulary words; *Banana Peel, How, do and you.*

Concept: Farm animals will be used this week in our compare and contrast activity. The Golden Beads place value of "100" is also planned. We will continue to learn about all the wonderful things that come from farms.

Craft & Writing: Matching pictures, beginning sounds and letters will be the main focus this week. Finger painting a cow will help reinforce our theme. Cutting practice is great for reinforcing our fine motor skills.

Motor: During our 2nd week of Farm, we will be working all of our body parts, playing *Duck, Duck, Goose* and hopscotch. Relay races will be a fun way to finish out the week.

Reminders

- Memorial Day - Monday, May 29 - center closed
