Weeks 28 and 29: February 27- March 10, 2017

Theme: Colors and Shapes

Language Arts:

We will enjoy several books on our favorite colors and shapes. Our selections will include: *The Crayon Box That Talked*, and *Shapes Elmo Colors*. We will also be singing songs, and participating in finger plays correlating to our theme. *Color March*, *What Shape?*, *Pretty Colors*, and *All Kinds of Shapes* will be enjoyed by all.

Concept:

We will continue to work on our sorting and counting skills. To enhance our theme, we will be sorting by color and shape, and well as smallest to biggest. The

children will count the objects they sort!

Motor:

The children will be strengthening their large muscle skills using our parachute. The children will do their very best to create waves, as they make the parachute go up and down.

Craft and Writing

The children will get to finger paint with some of our latest colors, brown, pink, and white, to create our color buddies. We will also be mixing colors together, and observing what happens! We will then

use the colors that we created on paper. Lastly, to review our shapes, the children will make a collage of shapes!
