

Pre-K Press

Week 40: May 22-26, 2017

Theme: End of the Year Review

Language Arts:

The children will be reviewing all of the letters, phonetic sounds, reading words, stories, and fables introduced this year! We will be enjoying our favorite stories, flannel boards, songs, and games. The children will have fun trying to find something in the room that starts with each letter of the alphabet.

Concept:

Counting and estimating activities, shelf jobs, and sensory tables will be enjoyed by all! Numbers will be our focus, as we review

identifying each number, counting forwards and backwards, and taking turn with the golden beads.

Motor:

We hope to enjoy nice spring weather, and have the majority of our motor time outside. Inside, the ball and wand, balance beam, and obstacle courses will keep us in motion.

Craft and Writing:

The children will be completing papers that will reinforce all of the material introduced. We will be using a variety of art

materials to complete these projects.

We look forward to the Noonan Olympics and sprit fun next week, for our last week in Pre-K!
