

Young Nursery News

Weeks 1 and 2: August 14-25, 2017

Theme: Getting Acquainted

Language Arts:

We will enjoy several selections about making friends and the first day of school. The children will learn their friends' and teachers' names, and about their new classroom. Our morning songs, including the *Pledge of Allegiance*, and the *ABC's* will bring us together as we sing in a circle to begin the day. The children will also enjoy a color song, and the poem, *Welcome to School*.

Concept:

We'll begin concept class with calendar time. We'll discuss the days of the week and months of the

year, followed by checking the weather, and discussing summer. The children will be introduced to several different jobs that we will be using on our rug mats. These jobs will include stringing beads, putting pegs in pegboards, and puzzles. We will also focus on color jobs, that will help us to learn our first two colors, red and blue.

Motor:

We will be on the go, both indoors and out. The children will be shown how to use our indoor motor equipment including: the tunnel and the rocking boat. Outdoors, we'll learn the

playground rules so that we can have fun and stay safe! The children will get a chance to run, ride bikes, push toys, and slide down the slides!

Craft and Writing:

We will be using the colors red and blue to complete our art projects these first weeks of school. The children will color red and blue *crayon buddies*, which will decorate our art wall. The children will get to use red and blue paint to decorate school supplies. Look for red and blue artwork to be coming home and decorating our school walls!
