

Bobbie Noonan's Child Care
Palos Hills

Weeks of 4/24 & 5/1

Junior Journal

Theme: Earth Day

Introduce: Uu, Vv, star, pentagon

Happy Birthday to James Martin 4/24 and Marlie McCollum 5/3

Vocabulary Word: jumble: *to mix or throw into a confusion*

Language Arts: The Earth is where we all live. We need to take care of it. So please bring in some clean trash and we will learn to recycle it. For the next two weeks we will be learning all about our earth and how to help it stay clean. We will be reading books like The Family of Earth, and Recycling Day. And we will learn the 3 "R"s; Reduce, Reuse, Recycle! So feel free to send in empty containers for us to use as we get ready for our Earth Day project – a grocery store!

Concept: The next two weeks we are going to learn how to take care of our Earth with the three r's- reduce, reuse, and recycle. We are also going to be playing "what's missing?" and working with patterns.

Craft & Writing: In Craft & Writing we will be learning how to keep our Earth clean. Look for some fun and green Earth Day projects to come home with your children. We will also be practicing our new letters U and V and our new shapes star and pentagon.

Save the Date: Spring program May 20th @1:00 p.m. at Prarie Junior High in Alsip

Note to Parents: Spring is slowly arriving and as the weather gets nice the children will be going outside more and more. It is important the children wear gym shoes so there is no tripping and falling outside. Thanks for your help.
