

**Bobbie Noonan's Child Care**

Palos Hills

**Junior Journal**

Week of May 22

Theme: Insects/Spiders

Vocabulary

*Magnify* - To make something look bigger

*Variety* - A number of different things

**Language Arts:** Bugs, Bugs here and there. Bugs, Bugs everywhere. This is the time of year when all our six and eight legged friends come crawling out of the wood work. For the next week we will be exploring the world of insects, bugs and spiders. We will read some Eric Carle books such as "The Grouchy Lady Bug" and "The Very Quiet Cricket". We will make bug puppets and sing songs such as "The Itsy Bitsy Spider".

**Craft & Writing:** Our theme for the next week will be insects, bugs and spiders. Watch for some creepy, crawly art projects to come home! We will also continue to work on pre-printing skills.

**Concept:** For the next week we will enjoy discussing our creepy crawly friends - insects! We are looking forward to spending sometime outside to look for them. We will even be bringing a magnifying glass out with us to take a "closer" look at some of the insects. I will add a ladybug job to my shelf and will continue reviewing all the concepts we have learned.

**Our final day of school will be Friday, June 2nd unless other arrangements have been made. There is still room for Summer and Fall / don't miss the fun!**

**School is closed on Monday May 29th**

**in observance of Memorial Day**

**(full tuition will be due)**
