

Young Juniors & Juniors
Theme: Insects
Introductions: Review
Date: May 22 to May 26, 2017

Language Class **Ms. Sarah & Mrs. Lauren**

This week we finished our insects unit. We learned about spiders. We talked about how they make their webs and what they are made of. We also about how the spiders use the webs that they make to catch their food. We reviewed all our letters, numbers, shapes, colors, fables, proverbs & manners.

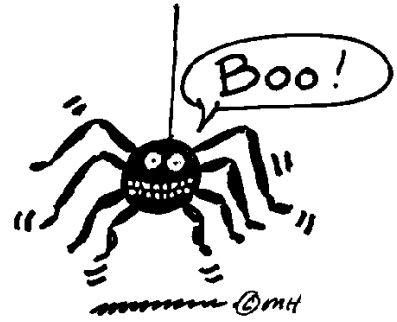

Concept Class **Ms. Bridget & Mrs. Pat**

We talked about spiders this week. We play a fine motor game where we had to get the spiders out of the webs. We sorted bugs by size. We went on a bug hunt both in the classroom and outside. The kids really loved the bug hunt outside.

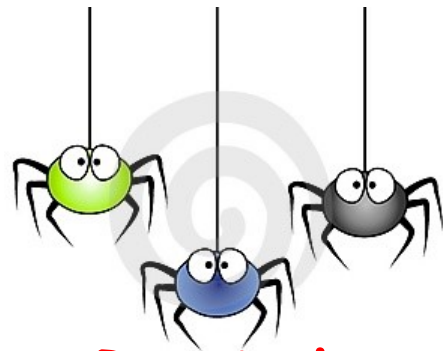

Important Dates:

6/2/17 Last Day of School
6/12/17 First Day of Summer Camp—If you have not registered please stop by the office and see Mrs. Diane!
8/14/17 First Day of the 2017-2018 School Year!

Craft & Writing Class **Mrs. Lauren & Ms. Tracey**

We painted insects with our fingers. We painted with water colors. We made hand print spiders. We are working on end of year evaluations. The kids have been working really hard on writing their names.

Reminders:

- *Extra Clothes for your child.**
