**Theme: Birds**

**Introductions: Letters: Yy & Zz**

**Date: May 8 to May 12, 2017**

## Language Class Ms. Sarah & Mrs. Lauren

This week we talked about birds. We learned why birds fly. We talked about our favorite bird. We also talked about where we would fly if we were a bird. New letters were introduced Yy & Zz.

## Concept Class

This week we learned about birds. We looked for birds outside. We also listened to see if we could hear the birds outside. We talked about how a bird makes their nest. We learned about all of the different kinds of nests birds make. We used the tactile bag, played with puzzles and the rice table.

## Craft & Writing Class Mrs. Lauren & Ms. Tracey

In both Mrs. Lauren & Ms. Tracy's classes the kids have been working really hard on your Mother's Day projects as well as their Art Fair projects. We made bird nests., learned the parts of a bird, match birds to their shadows and finished the week with free art.
