Introduce: Ss and Tt  
Story #5

For the next two weeks we will talk about what a farm is, farm animals with songs and flannel boards, crops and farm machinery pictures. We will have fun singing, reading stories and doing finger plays and farm book "Ping Pong Pig".

This little piggy went to market (thumb)  
This little piggy stayed home (index finger)  
This little piggy had roast beef (third finger)  
This little piggy had none (fourth finger)  
This little piggy cried all the way home (little finger run around)

This week in **Concept** we will be introducing a new clapping pattern. We will explore with our tactile box and continue to talk about "what doesn't belong." We will compare and contrast a tomato and an apple. Farm jobs will be added to our shelves.

This week in **Craft and Writing** we will be tracing and printing our names. Number review papers will also be worked on. Many fun and interesting farm animals, food and machinery will keep us busy too. We will work on a Parents "Surprise" craft

In **Motor** we will continue with the ball and wand, go outside (weather permitting), and do a farm animal action game.
