## Language Arts:

The children will love singing this new song along with reading *The Tiny Seed* by Eric Carle for Earth Day. We will also be hopping into some fun Easter books and finger plays. The children will enjoy learning Qq and Rr and adding more Amos characters!

## Motor:

To celebrate Earth day we will have cool obstacles that revolve around the earth, and keeping it clean.

## Concept:

We will be revolving around the Earth this week. The class will work on the flower review game. The kids will also have to help the Easter bunny match all his eggs together so they can be delivered! I'm sure they will all be up to the task. The class will also have fun in our Easter sensory bin, and with patterning.

## Craft and Writing:

As Easter has finally approached we will have fun creating Easter crafts. We will also be exploring shading as we dye our very own hard boiled egg! It should be a lot of fun and our bunnies will be hoppy to show off their bunny ears and baskets! They will also learn to reduce, reuse, recycle! As Earth Day arrives we will create a special project that incorporates plants.

- **Introduction:**
- **Letters:** Qq & Rr
- **Vocabulary:** Nourishment- something needed for life and growth

**Happy Birthday Kylie L. 4/7!!!**
