Manner #1

"Try to share"

Ms. Andreaia – Language

This week we learned some new letters or re-introduced them Aa & Bb. We also learned 2 manners this week. The 1st one is "Try to share", we talked about taking turns with toys and when playing outside on the swings. The 2nd is "Use words, not hitting", we talked about telling a teacher or asking a friend nicely for something instead of getting mad and hitting. We are still learning the rules for the class and having lots of fun!

Manner #2

"Use words,
no hitting!"

Mrs. Pat – Concept

This week we worked on learning and remembering the classroom rules. On Monday, we did an alphabet matching activity to go along with the new letters we learned Aa & Bb. On Tuesday, we introduced the Pink Tower. Then on Wednesday we compared a wiffle ball to a ball of yarn. On Thursday, we played on the science shelf. Then on Friday we had fun with the tactile bag and free choice baskets.
