

Junior's News

Date: September 4th to September 8th

Theme: Dinosaurs

Introductions: Numbers: 1 & 2

Ms. Andreaia – Language

This week we finished our unit on Dinosaurs. On Tuesday, we reviewed all that we have learned this year. On Wednesday, we learned about triceratops. On Thursday, we learned about stegosaurus. We ended the week with free choice. We read lots of books and used flannel stories and did finger plays.

Mrs. Pat – Concept

This week we continued to learn about dinosaurs. On Tuesday, we learned about the number line. On Wednesday, we learned about our number shelf and played nuts & bolts. Thursday is SCIENCE day! We watched a dinosaur grow in water! The kids LOVED it! Then we ended the week with free choice.

Mrs. Karli – Craft

Monday - No School!

Tuesday - Dinosaur College

Wednesday - Paint Dinosaur Paper

Thursday - Dinosaur Tracing, Print Practice #2 & Angle Cutting #2

Friday - Dinosaur Mosaic & Free Art

We had so much fun this week learning how to cut, trace shapes. We had fun painting with brushes, fingers, and sponges.
