## Secret Life of Pets

June 12<sup>th</sup>-16<sup>th</sup>

Ms. Ashley and Ms. Colleen

### Language Arts

There was a boy who had a dog  
and max was his name-o M-A-X!  
The children will participate in pet  
themed songs and finger plays.  
Some of my favorites include:  
Three little kittens lost their  
mittens, and how much is that  
doggy in the window!

### Craft and writing

The students will be working on  
journal writing this summer. Each  
day the children will brainstorm,  
and complete a writing prompt for  
each theme! Check out our  
petrific bulletin board.

### Concept

For each theme this summer the  
children will help me fill out KWL  
charts. What we know about the  
theme, what we want to know, and  
what we learned! We will also  
compare and contrast and graph  
the characters from Secret Life  
of Pets.

### A Peek at Our Week
