

Nursery News

Week 30 March 6th-10th, 2017

Theme: Colors

Language Arts:

What is your favorite color? This week our class will review all of the colors we have learned so far. As we review colors, we will learn a few songs to teach us about them. Our featured songs this week are "We Love Colors", and "Colored Frogs".

Concept:

During this week, the children will enjoy a special theme just for colors. We will enjoy seeing colors everywhere! The children will also enjoy different group activities like, color wheel and color hands seriation activity with our big and little hands. They will also get to experiment with color blending.

Craft and Writing:

Calling all colorful artists! This week, our little artists will create many colorful and creative art projects. We

will explore finger painting as well as other mediums. Be on the lookout for our "Rolling pin rainbow painting" project. Get ready for a colorful week!

Motor:

So far we have learned many colors of the rainbow! During this week, we are going to put our thinking caps on as we review our colors. We will get to practice our tossing skills while playing some new and exciting color games like color ball toss and "color stairs". We will also enjoy reviewing our colors with a fun game of "Color Relay" as we race to find the correct color on a matching card.
