Week: 32

Theme: Spring

Language: This week, we will talk about *spring*. We will participate in the flannel board stories *It's Raining* and *Rain, Rain*. We are going to practice different listening activities, enjoy our time with musical instruments, and we will use puppets to read some of our other stories.

Motor: We will enjoy the rocking boat during outside time. Additionally, we will practice our color toss, use the parachute, and spend some time in the *Motor Room*. We will end our week with free dancing, and practice our skills on the balance beam.

Craft/Writing: This week we will make *spring* flowers with plastic bottles, mosaic a sun, and make a colorful kite to hang in our classroom. Further, we will enjoy our time at the easel, with flannel board characters and magnetic letters. Lastly, we make use out of our free choices with coloring, paper cutting practice, and play-doh.

Concept: This week will center on reviewing the different weather conditions of *spring*. This will include a talk about clothes we wear for rain, snow and sunny weather. We will utilize circle time to do group work with our concept bins. To end our week, we will water our flowering seeds, have some fun at the water table, and review size seriation with different *spring* themed objects.

Reminders: Please check your child's folder daily. If there are any books, toys, diapers/pull-ups, or out grown clothes that you wish to donate, please feel free to do so.

Sincerely,

Miss Emily
