

Nursery

Finding Dory

July 17th-21st

Mrs. Nicole

Language Arts

Our little explores will have fun as we dive into stories and songs about the ocean.

Craft and writing

Keep an eye out for some very colorful and creative ocean themed artwork. There will also be some time to build some underwater animals with play dough.

Concept

Just keep fishing! Our concepts will be placed on fish and we will "fish" for concepts. The water table will be a great way to explore some of what we may see in the ocean.

A Peek at Our Week

Monday July 17th-
Sprinkler day

Tuesday July 18th-
Sprinkler day

Wednesday July 19th-

Cook's in the kitchen

Thursday July 20th-

Karen's Nature Tales
Fascinating Fish @

9:30am

Friday July 21st- Follow
the shells scavenger hunt

Motor

Crawling like a crab, jumping like a dolphin, and swimming like a fish are just a few ocean animals that we will act out.
