During language we will listen to stories and finger plays that will help reinforce our theme. The children may bring in small items or books to share with the class that goes along with our theme. Please remember to label everything your child brings to school. We will also talk about our favorite things during "Getting Acquainted" week.

We will also introduce letters Aa and Bb this week. We will learn the difference between a capital letter and a lower case letter as well as their phonetic sounds.

Show-n-tell for this week will be Friday! Please bring in ONE item that begins with the letter A and ONE item that begins with the letter B.

**Motor:**

We will be going outside if the weather permits. We will also be working on a following direction game along with playing Hot Potato and Simon Says.

**Craft & Writing:**

The colors red, blue, yellow and green will be introduced this week. The children will be coloring, painting and will use our water colors to reinforce our new colors. We will begin to work on tracing papers and phonics papers that will reinforce the letters Aa and Bb. Remember to watch for craft projects on our wall.
