

**Pre-K**  
**Home**  
**July 24<sup>th</sup>-28<sup>th</sup>**

**Ms. Tracey**

### **Language Arts**

Let's put our singing voices to the test with a few outer space songs like "The Sun in the Sky," "Climb Aboard the Spaceship," "I'm a Little Rocket," and "Five Little Astronauts."

### **Craft and writing**

Home is where the heart is, but for the character Oh that's far away! We will paint a galaxy background along with an Oh character.

### **Concept**

In the movie home, Oh wants to come into the out. What if we travel to outer space? The children will enjoy an anti-gravity galaxy in a bottle science experiment.

**A Peek at Our Week**  
**Monday July 24<sup>th</sup> - Movie day**

**Tuesday July 25<sup>th</sup> - Cook's in the kitchen**

**Thursday July 27<sup>th</sup> - Sprinkler day**

**Friday July 28<sup>th</sup> - Sprinkler day**

### **Motor**

**3-2-1 Blast off! Let's practice tossing and reaching with a fun "Moon Rock Throw" and "Reach for the Stars" activities.**
