Theme: Insects

Introductions: Review

Word Family: -ed

LANGUAGE ARTS: The children may bring books, pictures or items all about *insects* this week. We will learn how they live, what they eat and which ones fly. Along with our daily review, we will work on the -ed word family.

CONCEPT: This week we will be looking at and comparing different types of insects. We will play an insect matching game and a group activity to review our numbers. If the weather permits we will go outside on a bug hunt, so please bring a bug jar. You can get them at the dollar store or a plastic container will work too!!

CRAFT AND WRITING: This week we will work on papers that will reinforce our theme of *insects*. We will also work on letter matching, following directions and a paper where they will need to find the hidden butterflies and caterpillars. As always we will continue to practice our cutting and printing.

MOTOR: The children will be playing "Hot Potato" and "Simon Says". With the weather getting warmer, please remember that your child needs gym shoes for outside play time.

Reminders:

Spring Program:

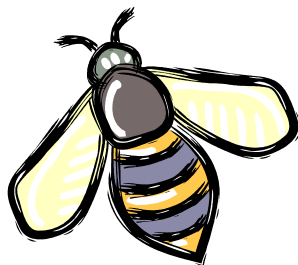

Thursday, June 1st at 6:15

Summer Camp:

There are only 5 more weeks of school left☺
Looking for something to keep your child busy??
Signed up for Summer Camp!!

Teacher Appreciation Week:

May 8 - 12

Have a great week!
Mrs. Chrissy & Mrs. Mary Ann
