 TODDLER NEWS
 April 24th – May 5, 2017
Theme: Farm

Remember: We go outside every day if the temperature, including the wind chill, is above 20 degrees. Our Parent Handbook states that if a child is well enough to come to school, they are well enough to go outside to reap the benefits of the fresh air. Please be sure your child has appropriate clothing for outdoor play.

**Introductions:
 pink**

LANGUAGE ARTS: We will be learning a new finger play, “In the Barnyard.” You will find the words and actions to this finger play at the bottom of this newsletter. We will also be introducing the color pink.

CRAFT & WRITING: We will create more barn yard animals, using cotton balls for sheep and paint for the barn.

CONCEPT: In Concept class, new shelf jobs will be introduced to reinforce our theme. We will continue to reinforce all the concepts which have been introduced. We will work on our body parts with the help of bean bags. We will be introducing the color Pink during our shelf jobs.

MOTOR: If the weather cooperates, we will go outside to enhance large motor development. Bowling and aiming at a target will help develop our eye/hand coordination as well as help us review our shapes.

**Have a great week!
 Miss Kristina**
