## Language

This week we are re-visiting some of our 'old favorites'. We talked about healthy food, and played kitchen. We walked like animals and washed the dinosaurs. We read "This land is your land", "Snuggle puppy", "What a wonderful world", and "My many colored days", one of our favorites!

## Art

Monday: No school

Tuesday: Water paint

Wednesday: Summer project

Thursday: Hand print fish

Friday: Free Art

## Concept

This week we practiced naming our colors, red, blue and yellow. We reviewed our ABC's and counted 1, 2, 3. We played with shape puzzles and reviewed circle and square.
