Welcome to our first week of
school. Our theme of the week
is Getting Acquainted and
Manners.

We will be very busy making
new friends and learning the
school rules. Ask your children
what they do when a teacher
rings the bell?

In our concept room we are
sorting by color using red and
blue. The children are learning
to sit on their rug mat's and
working independently.

They are enjoying getting jobs
off the shelves. Name review,
rote counting and working with
the calendar and weather will be
done daily.

In our language arts room, we
will be getting acquainted with
each other and school. Our new
furry friend "Taffy Apple" will
come for a visit. We will learn a
fun finger play "Open and Shut
them" and "Friends are Special"

Ask your children to do the
finger plays with you.

Welcome Back To School

Alphabet tubs will be another
fun activity we will do with
letters Aa and Bb.

In the craft and writing area we
have many fun activities
planned for the week. We will
work on A and B readiness

papers and we will finger paint
using red and blue. We are
using good manners when we
are eating our snack. We say
please and thank you.

We are off to a great week!
