

Toddler Times

Week 36 April 17th-21st, 2017

Theme: Shapes/Earth Day

Bobbie Noonan's

Child Care

947 East Division
Lockport, IL 60441
(815)838-2855

Language Arts:

In Language, we will be reviewing the shapes that we have learned so far. We will be learning some finger plays to help us remember and learn our shapes, they are, "I Can" and "A Square Is Its Name". We will listen to, and participate in, "Sally The Square" and "A Rectangle" flannel board stories. In Language we will also discuss Earth Day with a story and a flannel board stories such as "5 Little Flowers" and "Earth Day Recycling".

Concept

We will have many shelf jobs that will keep our little brains challenged while reviewing our shapes. We will be doing shape seriation as a group and individually. We will look beyond the color and match objects by shape. Planting a class flower for earth Day will be a very exciting activity.

Craft and Writing:

Each day, we will be working on readiness papers that will center around different shapes. We will be making shape creations. Keep a look out for some creative Earth Day projects.

Motor

In Motor, we will get up and move to the music of Dr. Jean. Playing with the parachute and working with the obstacle course will keep us fit and healthy! The weather is getting nice, so spending some time outside will be lots of fun.
