

**Bobbie Noonan Child Care  
PreK Newsletter**

Date: April 24 - 28  
Theme: Earth Day  
Introductions: Cone, Cube and Sphere

Language: It's Earth Day Week! We will be discussing recycling, how we affect the Earth and how we can help. We will continue to review stories #1-11 and story #12 will be introduced. We will have so much learning and fun in Language class!

Craft & Writing: This week in craft & writing we are going to introduce 3D shapes: cones, spheres and cubes. We are going to continue practicing telling time and basic addition. More time will be spent perfecting our name papers. At the end of the week, we are going to do two Earth Day related crafts to match our theme.

Concept: This week it's all about Reduce-Reuse-Recycle as we enjoy our Earth Day projects. We will do an air pollution test and a dirty-to-clean water experiment. We will be rote counting to 80 and continuing to count by two's and ten's. On Friday, we will play, "Can you find this 3D shape?" All week long we will also be observing our caterpillars and marigolds.

Motor: This week we will advance our eye hand coordination with a pitched ball and bat. We will also be working on skipping and balancing. Our "follow directions" activity will include left, right, up, down, forward and backwards.

**REMINDER:** As an effort to keep our room as germ free as possible, PLEASE be sure to wash your child's hands when coming into school. Please remember to send your child to school in closed toe shoes to help prevent accidents on the playground. If your child is not a daycare student, we ask that you please do not bring your child in earlier than 8:45 a.m. **The VPK school day begins at 9:00 a.m. and children should be ready and seated to start class.** Thank you!
