Mrs. Jackie -Language Arts:

This week our theme will be all about our fine, feathered friends, the birds. Our discussions will revolve around different kinds of birds and bird nests. We will also be introducing Story #13 “Help” and all the words associated with the story. We will continue to review our alphabet, as well as building words and sentences.

Mrs. Jackie –Motor:

Ball and wand, balance beam

Mrs. Lynn - Concept:

In concept we will continue to rote counting numbers 1 - 50. We will also practice estimating by seeing how many feet it takes to reach an object in our room. We will continue to observe the spring season and take special notice of the changes to trees and plants. We will also continue with addition and the concept of subtraction.

Mrs. Lynn - Craft and Writing:

Readiness papers will be birds, as well as alphabet pages to help review. A spring craft will finish our theme for the week.

Reminders:

Please have your child wear gym shoes to school regularly. Our school year is quickly coming to an end. Our spring program will be May 31st and school picnic is on Friday, June 2nd. Summer camp will start June 12th!
