Mrs. Jackie -Language Arts:

As we are approaching our final weeks of school we will continue to review A-Z, stories #1-15, as well as rhyming words, building words and sentences. This week is “Spirit Week” and next week we will discuss our final theme of “Olympics”. We will be doing our last evaluations of students to prepare Reports Cards.

Mrs. Jackie –Motor:

Outdoor play and balance beam, and Olympic events are just a few of the activities we will be enjoying over the next few weeks.

Mrs. Lynn - Concept:

Fun times are ahead for Spirit week and Olympic Week in the concept room with plenty of outdoor activities such as the giant parachute and relay races to see who can fill the bucket with the most sand. We will continue working with our number line 1-20, counting by 2's, 5's, 10's, and 100's and have begun counting up to 100! We are also working on building numbers using our golden beads and simple addition and subtraction. We will be playing lots of our favorite games and activities such as; the Kookaburra and Fishing Game to review the concepts that have been introduced this past year (including our colors, shapes, days of the week, months of the year, and the calendar).

Mrs. Lynn - Craft and Writing:

We continue to practice printing our names and will be working with our scissors to reinforce our cutting and fine motor skills. We will be making an Olympic Torch craft and have begun to work on the end of the year craft. During our Luau themed picnic, we will be making volcanoes with our play dough. We will also complete our final assessment of the children by the end of May.

We can't thank you enough for allowing us to be a part of your child's life. We have such kind, loving, and supportive parents. We wish all those students that are going on to Kindergarten in August the best. We will miss you and hope you come back to visit us! We look forward to those students returning to our program for another year! Thank you for a wonderful school year!
