lockport_director@bobbi Noonans.com

Language Arts:

The children will be introduced to a variety of fish and other sea creatures. The children will learn what sets ocean animals apart from mammals and reptiles. Since Dr. Seuss' birthday is on March 2nd we will be reading many of his books to celebrate.

Motor:

The children will be playing a freeze game, and a following directions game. We will play a silly version of

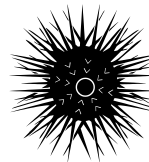

twister. If the weather is nicer, we will try to get outside.

Concept

Happy Birthday Dr. Seuss! We will talk about Dr. Seuss and play a few games. The water table will be brought out and we will experiment with sinking and floating. What's your favorite ocean animal? Let's make a graph and compare ocean animals.

Craft and Writing:

Throughout the next two weeks the children will work on readiness papers which will review the concepts introduced thus far. We will also be working on many projects that will be used for our art fair coming up.

- Introductions: None
- Review: All that has been introduced
- Bits of Intelligence: Musical Instruments I

NOTES TO PARENTS:

- MUSIC WITH MS. MICHELLE WILL BE ON TUESDAY, FEBRUARY 27TH.
