Theme: Creepy Crawlers

Weeks of 5/8 & 5/15

Happy Birthday Devon Brown 5/8

Language Arts: Creepy crawlers will invade our tot room the next two weeks. Here are some of the things we will be doing in language art class. We will listen to a finger play called "Here is a Beehive." We will also be listening to a flannel board story called "Big Bugs, Small Bugs." Two fun Eric Carle books will be used in language arts- "The Very Lonely Firefly" and "The Very Hungry Caterpillar." We will be having lots of fun learning about creepy crawlers!

Motor: We will be doing lots of fun motor activities this week. We will crawl like spiders through a web, slither like worms in our tunnel, practice our bug hop, and go outside.

Concept: This week in concept we will be talking about creepy crawlers. We will be sorting insects without regard for color, pattern or size. We will also be doing a bumblebee counting game. The children will be busy with block activities and shelf time.

Art: The next two weeks in Art we will be coloring, painting a mosaicing pictures of creepy crawlers. We will also have fun with play doh!
