Theme: Snugglies (pets)

**Language Arts:** This week we will continue talking about snugglies but as pets. We will be learning different finger plays about puppies and kittens. The children will learn a fun song called "Love your pets." Ms. Katelyn will add circle and square to our review.

"Love Your Pets"

Love your pets, Love your pets  
Love them every day  
Give them food and water too  
And let them run and play!

**Motor:** The boys and girls will continue to have fun outside. This week we will take out the tunnel and go over our body parts song.

**Concept:** In concept this week Ms. Katelyn will be reviewing red and blue. We will be playing different games to help us review. We will also review our new shapes circle and square. The boys and girls will continue to learn what day it is and what the weather is.

**Art:** The boys and girls will be coloring with red and blue. They will also have fun with paint and the shapes circle and square. We will have some special art projects with pets this week too!
