Language Class Ms. Sarah & Mrs. Lauren

This week we talked about Earth Day and what we can do to help the Earth. We talked about reducing, reusing and recycling. We introduced the letters uu & vv and added their sounds to our alphabet song. We reviewed our colors, shapes, numbers, manners, proverbs and fables.

Concept Class

This week we learned about Earth Day & what we can do to help our Earth. We played a recycling game, "Which one is missing?", puzzles, Earth Day Bingo.

If you have any gently used books, blankets, sheets or clothes that you are needing to get rid of we are always taking donations.

Craft & Writing Class

We did Earth Day projects. We played with play-doh, water colored, a Paper Mache earth. We also practiced "writing" our new letters this week uu & vv. Then we ended the week with free art.
