

Bobbie Noonan's Child Care  
Tinley 2  
Junior's Newsletter  
June 12-16, 2017

**Theme:**

Blast from the Past

**Monday:**

Today we will travel back to the 1950's. This is when Rock-n- Roll began and many listened to songs on 45's. For our art project we will be making 45 records.

**Tuesday:**

We continue on to the 1960's where lava lamps were a big thing. Today will be science experiment day and we will try to recreate a class lava lamp.

**Wednesday:**

Bike day! Bring a bike and a helmet. If your child doesn't have a helmet to wear, please make sure to sign the waiver.

**Thursday:**

Here come the 1970s, where tie dye was in. Today we will be tie dyeing a coffee filter for our fun art project.

**Friday:**

Video games were beginning in the 1980s. The big video game in the 1980's was Pac Man. Lets have fun today making our own Pac man for our art project today.

Have a great day!  
Miss Amanda
