

Pre-K News

Language: Mrs. Debbie

This week in Language class we will be talking about ocean animals and Easter. We will talk about what kind of ocean animals are in our oceans and what we might see if we go to the beach or on the boat. As a group we reviewed color words and letters with phonic sounds. We reviewed compound words. We did several active review activities using our alphabet rug. We ended the week with our Easter Party.

Books we Read:

Hop on pop, It's not easy being a bunny, Peter Cottontail, I can read, Ocean life, Yellow/blue, Deep Ocean, Bear wants more, Skippy Jon Jones, Miss Mary Mac

Concept: Miss Kayla

This week in concept we talked about the ocean. We did a "What's your favorite ocean animal?" graph. We worked on rote counting, and used sea shells to do a fun counting activity. We used the tactile bag to work on "big and Small". We talked about how we can save our oceans. We dyed Easter eggs on Thursday it sure was messy, but so much fun. We ended the week with our Easter Party.

Reminders:

VPK hours are from 9:30-12:30. Please make sure you are dropping off and picking up at these times.

No VPK 4/10-4/14 for spring break
